

**Waterside Winterization Rules
Acceptance/Liability Statement**

I (We), the undersigned, have read and understand that I (We) are required to either maintain the temperature in our home at 55 degrees or higher or must turn off our water and properly drain all systems and appliances of water.

If there is a resulting loss not covered by insurance due to our failure to comply with this requirement, I (We) understand that I (We) are responsible for the payment of that loss.
